Right: During the photo tour, group 1 stopped at the gazebo for a quick snapshot to fulfill the list of destination requirements.

Below: Creative to say the least, senior peer mentor Jason Ramey did a great job of demonstrating teamwork with his freshmen seminar students.

New to Chowan this year was the Foam Dance Party. Students enjoyed a soapy mess as music played and bubbles flew. Above, freshman Tim Hardisty dances with friends in the foam. Right, seniors Rachel Paradis and Heather Orme smile for the camera as suds surround them.

2004 Welcome Week

Welcome week is a time for new students to get to know each other and get to know Chowan College and Murfreesboro. Throughout the week, new students participated in a scavenger hunt around campus, danced in a foam pit, slid down the slip'n'slide, played volleyball, and had many other opportunities to meet new friends and classmates.

above Group E shows off the team banner they made during one of the "get to know you" sessions.

far left: Sophomore Jessica Jordan and senior Jason Ramey passed along their secrets of success to the new students.

left: Bump, set, spike! Or not! The freshmen Seminar group decided to be a little creative with their picture as well. Notice there is no volleyball to be found.

Freshmen Melissa Jones, April Jones, Whitney O'Meally, and Meredith Armstrong decided not to actually get in the bubbly foam party, but they had a great time watching everyone else get messy.

Freshman Brian Brunhaver just hanging around waiting for the next fun and exciting welcome week activity to begin.

Presidential Mugging

Students Shelby Raynor and Jakenya Brown toast the new year and the new president at the Presidential Mugging, which was held the evening of the Presidential Inauguration.

After the students greeted Dr. and Mrs. White in the receiving line, they moved on to the next line where they got a rootbeer float and a souvenir cup to remember the event.

Jammie Mays (center) took advantage of the opportunity to meet the President. She and her friends were just a few of the more than 100 students who stood in line to congratulate the newly installed President.

President White took time to get to know about the students who came to the Mugging. Kenny Smith also took the opportunity to tell Dr. and Mrs. White how he spends his time while here in Murfreesboro.

2004 Inauguration

September 9th, 2004 is now a very important day in the history of Chowan College. It was with great pride and jubilation that the community congregated for the inauguration of our 22nd President, Dr. M. Christopher White. Dr. White and his wife Linda joined the college in January of 2003 and immediately began making positive changes.

Teacher of the Year award winner professor Gilbert Tripp leads the processional into Turner Auditorium for the Inauguration ceremony.

Standing before students, alumni, and board members, Dr. White addresses the community for the first time as the official President of Chowan College.

The Chain of Office as it sits on it's triangular shaped base. Each of the 38 links in the chain represents a part of the institution. It is displayed in the Library when not in use during ceremonies.

2004 Homecoming Week

The traditional Homecoming Week was filled with activities leading up to the big football game. Student spirit, along with attendance at events, was high at each night's activity. Participation and Chowan pride were definitely stepped up a notch during Homecoming '04.

New this year, the Tuesday night movie was shown at the Helms Center Pool. Students could splash and swim while watching the show projected on the wall. Participation prizes were also given away during the movie.

During the Homecoming Casino Night, members of the Student Affairs staff worked as the casino staff. Ms. Becky Mann was busy all night making Mocktails for the students while they played.

top: The most important parts of Casino Night are definitely the prizes. A few dedicated students played all night and rack up chips trying to beat all the others and come out on top. CPB provided five prizes that were displayed for everyone to see while the night progressed.

bottom: First place in Apollo Night went to the newly formed dance group, Just Us. Freshmen Amber Jones, Portia Holley, and A.J. Coley put together an award winning routine.

top: Freshman Karen Cook also competed in Apollo Night. She clogged her way in to the hearts of the audience as she took home second place.

bottom: Campus Minister Ken Cooke dealt black jack all night long. Students enjoyed taking his money and had a great time at his table.

With a short chip stack and not much time left to play, Justin Smithwick tries to make a last minute run.

Crowd-pleaser senior William Andrews competed in his final Apollo Night. This year, Will's performance piece was "Lean On Me."

Freshmen Campus Programming Board members Tara Bambary, and Cassie Goodson worked behind the scenes to get every event ready. For casino night, they sat at the entrance table and handed out chips to the students who wanted to play.

Senior Rebecca Latham and freshman Tracey Eure lift sophomore Jessica Hawkins during practice before the Pep Rally. Traditionally the cheerleaders perform for the audience during the event.

Homecoming is a time for students and staff members alike to join in the Chowan spirit festivities. Rocquina Vaughan and William Andrews were all decked out for the Luau.

Alumni Heather Mandeno and Kelly Armstrong wait with current students Adrianne Gregoire, Heather Marshall, Sarah Burns, and Jason Ramey for the start of the bonfire.

Autumn Gray looks exhausted after her debut performance as "Best Dancer." She competed with other students in a dance-off during the intermission of Apollo Night.

During the Pep Rally, teams were encouraged to sit together. The football team filled up an entire section of the bleachers as they listened to their coach's pep talk.

2004 Homecoming Week

The Cafeteria staff worked very hard to prepare the roasted pig for the Luau. Workers could be seen at the pit off and on the entire day. (left) During the pep rally, audience members were given the chance to hula for homecoming shirt. Of course, Justin Smithwick was a volunteer. (lower left)

How low can he go? Freshman Karl Rommel competed in the limbo contest that took place near the end of the Homecoming Luau.

It has become tradition for the senior football players to say "goodbye" to something that they cherish on the night of the pep rally. Bubba Dabney bid farewell to his favorite practice shirt.

The homecoming dance was a time for students to socialize and get away from the residence halls for a few hours. Since the dance was on campus, students without transportation were able to attend. Freshmen Mary Eubanks, Casey Whelan, April Lewis, and sophomore Jenn Fredette posed for a picture together at the Luau.

Students aren't the only ones who enjoy on-campus activities. Director of Student Life, Jana Holstein joined students, parents, and alumni at the pep rally and bonfire

Homecoming Parade

Each year, Chowan clubs and organizations work for several weeks before Homecoming to plan and create unique Homecoming floats. The 2004 2005 Homecoming theme was "A Taste of Paradise: Chowan Aloha." This year's Homecoming parade float winners were **TAGA**, first place, **History Club**, second place, and the **Sophomore Class**, third place.

Aloha Second Place Right, the History Club "hulas" its way into second place. At the Tikki helm sits history professor David Ballew served by history major Sean Gallagher. The hula dancers are (left to right) Holley Taylor, Adrianne Gregoire, and History Club president Jason Ramey.

Wanna Hawaiian Punch? The Sophomore Class represented by Donald Ellison, Robert Reynolds, Jessica Snodgrass, and Courtney Morris mix it up with their own version of punch, winning third place. Luau leftovers anyone?

2004 Homecoming Game

Braves vs Bishops

Despite a fourth quarter comeback attempt, the Braves were stopped short of victory falling to NC Wesleyan Bishops 30-22. Down 30-8, with 12:10 left in the quarter, Taylor Furlough and Tyvonne Johnson paired up for a 37-yard strike. From 28 yards out, Furlough honed to perfection his pass to Donta Myrick in the back of the end zone, cutting the Bishop lead. Even so, the Braves had pushed the game to their limits for the day. Yet, we love them anyway! GO BRAVES! GO BRAVES!

Left: 2004 Homecoming Queen Rebecca Lapham escorted by Erasto Beard.

Above: 2004 Homecoming King Matt Cunningham with Heather Marshall.

Noone has more spirit than Chowan's Cheerleaders Jessica Hawkins, Casey Walston, and Tracy Eure.

Punter Zach Paulk, number 16, gives it all he's got while teammates charge up behind him.

Upon request, the DJ played some Michael Jackson tunes. Determined to be the "next MJ performer," our own sophomore Michael Johnson moonwalked and danced all over the place. Students gathered around to watch him as he stole the show.

Snowball was a time for all students to let loose and have fun. Freshman A.J. Coley enjoys a dance with Senior April Taylor.

On the way to Norfolk, senior Autumn Gray looks like a movie star ready for her red carpet debut. Getting ready for the dance was an all day affair from hair to make up to all kinds of preparations.

2005 Snowball Dance

Snowball 2005 was held at the Sheraton Hotel in Norfolk, VA. There were approxiamately 120 students in attendance. Thanks to the meticulous planning from sophomore Courtney Morris and her committee, the evening was a huge success! The magical theme of the dance was "A Moment in Heaven." Seniors Will Andrews and Carrie Campbell were crowned 2005 Snowball King and Queen.

A magical night for seniors, indeed. Doug Chalmers and his date, Heather Orme look to be having a wonderful time. Students enjoy the formal aspect of Snowball as it gives them a chance to dress up and feel fancy for a night.

Sophomore RA's Stacie Williams and Sawyer Stutts were given the night off to enjoy themselves at the Snowball. For many students this was their first time attending and it proved to be a worthwhile adventure.

Freshman Kenny Smith and his date senior Valerie Helms along with senior Kimberly Daughtry and her husband Paul shared a table with senior April Taylor. In between dances, students found it enjoyable to relax and socialize at the tables.

The 2005 Snowball Court from left to right includes sophomores Jessica Sanchez and Kelvin Pressey, juniors Byron Henderson and Shantelay Cruz, seniors William Andrews and Carrie Campbell, and freshmen T Hamlin and JJ Jackson.

In both victory and defeat, the Braves strive for good sportsmanship. At the end of every game, players congratulate, thank, and high five fellow football teams.

Football

Braves Strive for Success

Entertaining the crowd, the pep band performs the Chowan fight song during home games.

Men's Soccer

Braves kick it up a notch!

Being involved in Chowan athletics enables students from all classes to form friendships and build community.

After warming up, the team disperses to the sidelines and respective places on the field.

After each game, equipment must be returned to proper storage areas. Freshman Graham Miller had fun with some flags after this particular game.

The average soccer players runs several miles during each game. Taking a breather, senior Gabe Cintron watches the field.

Water breaks are an important part to any sport. It is wise to keep the body hydrated for optimum performance.

Senior Brandon Carroll played Chowan Soccer for several years. Here, he waits for his turn with the ball.

Friendship among teammates is common in Chowan athletics. Hours and hours of practice and games unite the students as they learn and grow together.

The job of the goalie is a difficult one. With the privelege of actually touching the ball also comes the responsibility of catching, blocking, and diving to ensure that the opponent does not score.

It's easy to get tired during a game of soccer, determination keeps our Lady Braves going strong!

Women's Soccer Advances to NCCAA Final Four

by: Meredith Davies-Long

Lisa Knuesemen's game winning goal in the 79th minute of the second period propelled the Braves over #4 seeded Bethel College 2 1 and into the NCCAA Final Four.

The Braves got behind early in the match when Bethel's Lisa Franke scored a goal seven minutes into the game. Casey Driver connected for a goal on an assist from Meredith Krause at the 25:00 minute mark to knot the game heading into the second period.

Stephanie Montague served a perfect cross to Knuesemen who finished with the go ahead goal in the 79th minute to put the Braves into the Final Four. They will face off against Mt. Vernon Nazarene, the 2003 NCCAA National Champions, at 7:00pm tomorrow night. Mt. Vernon beat first round opponent Asbury College 5 0 to advance.

The Braves were out shot in the match 13 7 but managed to stick it in when it counted. "The game wasn t the prettiest game we have played all year but the goals were quality goals. We set them up nicely and they were finished perfect," Horne stated after the win.

The Braves move to 12 5 4 overall and keep their season alive with the win tonight. Mt. Vernon enters tomorrow night's match as the 1 seed with an 18 4 season record. "They are a really good team and it's going to be a really tough match," continued Horne on his Semi Final match-up.

Baseball Players Earn Several Postseason Honors

CHATTANOOGA, TN After finishing 5th at the NCCAA Nationals last week in Tennessee, the Braves have earned several post-season honors. Danny Lydon, a sophomore infielder from White Plains, Maryland, was named to the NCCAA National All-Tournament Team after collecting 6 hits in 11 at-bats, scoring 5 runs, playing errorless ball in 12 chances at second base.

After being named to the NCCAA All South Region Team, senior right- handed reliever Taylor Furlough earned NCCAA All American First Team honors. The Columbia, North Carolina native made 18 appearances for Chowan, tallying a 1.20 ERA, a 4-1 record, and 5 saves.

Senior starter Nathan Hilliard joins Furlough on the NCCAA All South Region Team and earned NCCAA All American Honorable Mention honors. The tandem worked together in the first round of the NCCAA Nationals in a 6-4 win over Geneva College. Hilliard appeared in 15 games this season, collecting 6 wins and just 2 losses with a 3.70 ERA. He also was second on the team in strikeouts with 51 over 65.2 innings pitched

Androcles & the Lion depicts a famous tale derived from Italy, immortalized by Aesop, and loved by children everywhere. Be on hand as a band of strolling players from the 16th century arrive to enact a story of kindness done and friendship won. Androcles tells the story of a Roman slave that comes to the aid of a Lion with a thorn stuck in its paw. Told in the broad farcical style of the commedia dell'arte, the play will have you laughing at the outrageous antics of Androcles and his friends while teaching the importance of friendship and freedom.

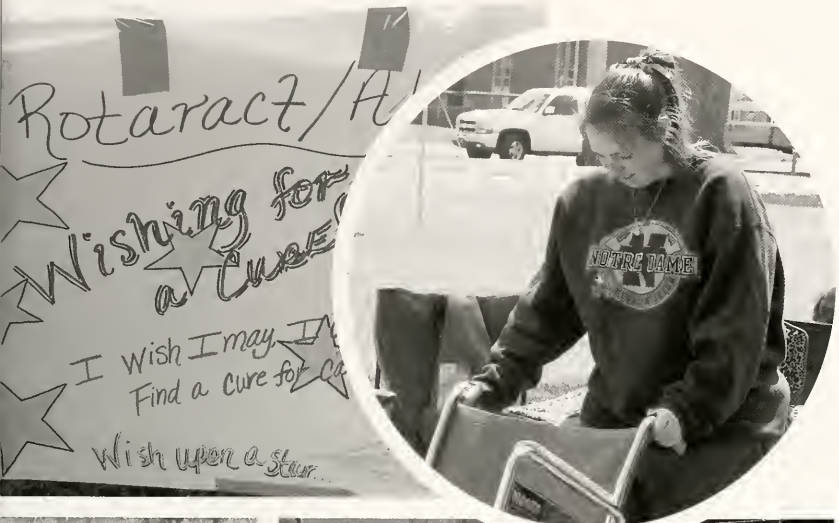
Relay for Life
April 16-17, 2005

Campus Organizations and community groups gathered once again to raise money for the fight against cancer. Students stayed up all night to walk laps around Squirrel Park and also sell anything from candy to hot dogs in order to make money for the cause.

Clockwise from above: Rotaract sold candy to help raise money. Jon Morrison helped on the grill for History club. The wind overnight was not only chilly, but strong enough to know over the luminary bags. Kendra Sylver also helped with History Club's tent.



Clockwise from top: Rotaract decorated their tent with their theme. Rebecca Lapham worked the AST tent, while Karen Cook painted faces for the Billiards Club. AJ Coley was festive in his hat. One of the local teams brought inspiration through their Hope & Faith. Teams raised money to donate to the worhy cause by grilling all night to sell as late night snacks to the late night walkers.

Starting from right: Autumn Gray and Adrianne Gregoire enjoyed the festivities. Nick James worked the Billiards Club tent. History Club members proudly displayed their theme and enthusiam. After two long and successful days, students worked hard to pack up their tents.

Starting from left: Jason Ramey was decked out for the Patriotic Lap in the wee hours of the morning. Many faculty and staff, like Ken Cooke, brought their families to support the American Cancer Society and the participating student groups. Like many people, Sean Gallagher was ready for some rest after a long day of walking. Rashelle Speck had time on Saturday to get a bite to eat before heading back out to walk. Heather Orme and Levin Scarborough kicked back and had some hot pizza as a treat. One of the creative themes this year was Taking a Quack at Cancer.

Sit Back, Relax, Stay a While

Clockwise startin above: Jackie Murray assisted Monday at the Carnival by working the snow cone machine. Shoko Tominaga and Abram Hall used the outdoor lunch as a time to catch up. Last year's Womenless Fashion Show winner Craig Janney was on hand to present this year's top winners, Erasto Beard, Bubba Dabney, and AJ Coley with their prizes. The outdoor lunch and Carnival drew so many students that there weren't enough places to sit unless you sat on the ground. The relaxed atmosphere of the Carnival lunch also allowed for staff and students to mingle, as Ken Cooke, Derik Huffman, and Nikkol Maynard.

Winds, Floods, and Flurrie

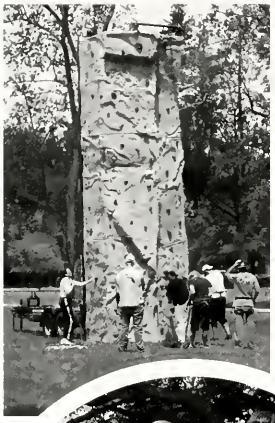
Weather '04-'05

The Chowan campus saw a calmer school year but did not escape mother nature completely. Squirrel park flooded a few times and another tree was damaged. In the winter months, student were able to build lifesize snowmen due to the wintry weather.

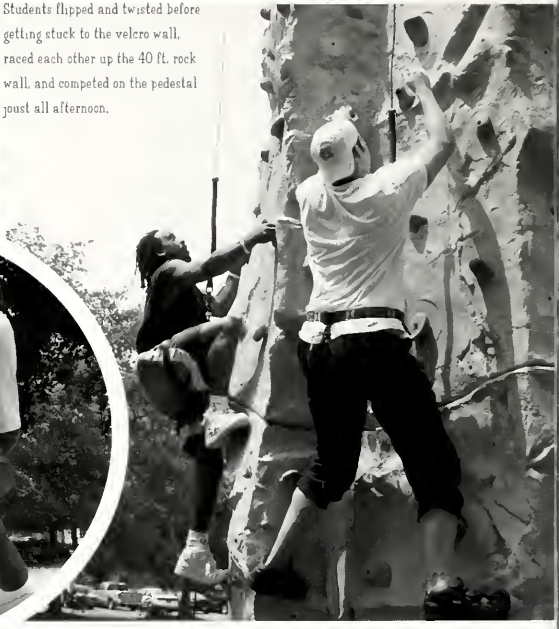
Reading Day Fun in the Park

Reading Day
May 5, 2005

Campus Programming Board hosted the park festivities on Reading Day. Students were able to climb the rock wall, bounce around on to the velcro wall or take on opponents in the jousting pit. Also, students were able to make wax hands and hologram pictures.



Students flipped and twisted before getting stuck to the velcro wall, raced each other up the 40 ft. rock wall, and competed on the pedestal joust all afternoon.

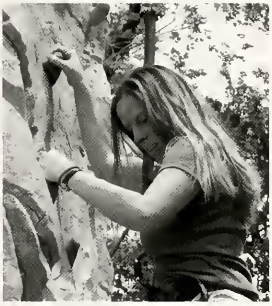


Above: It didn't take long for Lisa Lassiter to scramble her way to the top of the rock wall. Right: The velcro wall offered up many opportunities laugh and have fun.

Charlie Gomez was surprised when he didn't completely stick to the wall.

Guys were often more gentle when jousting against girls.

Students let out lots of energy while attacking the velcro wall.



Even Director of Student Life Jana Holstein made it to the top of the rock wall.

Senior Will Andrews was surprised when he finally stuck to the wall.

Clockwise starting at right: Chris Jernigan, Kelvin Pressey, and Sean Gallagher listened to keynote speaker Dr. Lee Campe at the Conference Luncheon. Shoko Tominaga performed pieces by Mozart, Debussy, and Schubert at the Recital. Michelle Covey and Marisa Gnah accepted their certificates as participants in the Research Conference. Jennifer Groves accepted the Mission and Vision Award at the Awards Day Convocation. The Chowan Chamber Orchestra was also on hand at the Convocation.

Part of the Research Conference included a poster show of the research students did throughout the year. An art show of Ashley Johnson's work was also included.

After the Awards Day Convocation, students, faculty, and staff enjoyed lunch on the Patio with a musical performance by Ewabo, a Caribbean steel drum band group.

Two year SGA president Rebecca Lapham (left) passed the gavel to incoming SGA president Jennyfer Fredette (right). Both spoke briefly at the Awards Day Convocation.

The Chowan Forum Celebrates the Intellectual and Artistic Life of Chowan College

by: Sarah Ward, College Relations

The Chowan Academic Forum is a weeklong celebration of the intellectual and artistic life of Chowan College. The Forum is made possible, in part, because of a gift from the Camp Younts Foundation. Events that will take place during the Forum include the Senior Art Exhibition, Spring Drama Production, Chowan College Chamber Winder and the Meherrin Chamber Orchestra Concert, Mark Twain Symposium, Chowan College Community Chorus concert, Chowan College Undergraduate Research Conference (CCURC), and the Awards Day Convocation. Different academic departments and or student organizations sponsor each event.

Senior Banquet

Phil Hein accepts his mug from Dr. White.

Erasto Beard accepted the Christian Service award, chosen by the senior class, faculty, and staff.

Dr. Moore's address entertained the crowd.

Senior Class president Rachel Paradis' candle begins to take flame during the candle lighting ceremony. The newest graduates are each presented with a mug inscribed with "Class of 2005" and a Bible from the the Alumni Office.

Kelly Eisner proudly accepts her Class of 2005 mug.

Rebecca Boston accepts her mug and Bible.

Anonymous seniors made their last mark on campus by decorating the rock.

Seniors Eric Vazquez, Shannon Bordeau, and John Wheeler are ready for the following day's event...Graduation.

Commencement Ceremonies

May 14, 2005

Chowan College celebrated the graduation of 101 students. The ceremony included remarks from 6 graduating seniors and concluded with the awarding of degrees and the traditional ringing of the bell.

Student Organizations

Student Organizations were very active and involved this year, starting with the Involvement Fair (above). While there, new students had the opportunity to see the organizations and join one or more that appealled to them. Many organizations also participated in the Harvest Fest in October (above right), Homecoming, Relay for Life (right), and Leadership Week.

Students also petitioned SGA to either create or bring back student organizations. The Billiards Club was a new addition this year, while Fellowship of Christian Athletes was just getting up and running again.

The North Carolina Phi Chapter of the Alpha Chi National College Honor Society is an interdisciplinary honor society dedicated to academic excellence, outstanding character, and honor. The purpose of Alpha Chi is to recognize scholarly merit and character, elements that contribute to the academic advancement of the entire student community. Its name derives from the first letters of the Greek words for truth and character. Membership is limited to those students with a grade point average of 3.5 or greater who are within the top ten percent of Chowan's juniors and seniors. Invitation to membership comes only through the college chapter.

from Chowan website

Chowan Ambassadors are selected from all areas of campus life and are often referred to as the "cream of the crop." These bright and energetic students are often called upon to represent the College at many events. For example, Ambassadors serve as docents during the Murfreesboro Historic Candlelight Christmas Tour, and often speak at dinners, open houses, and special ceremonies. Undoubtedly, this group of students helps Chowan put its best foot forward.

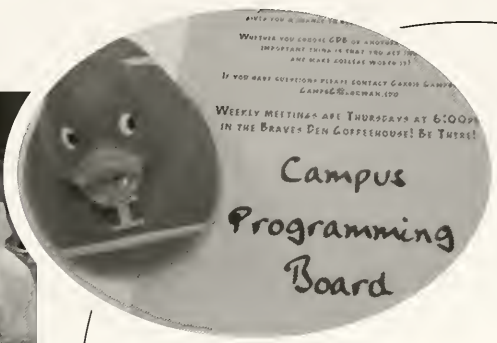
Over 300 students enjoyed roasted pig and pineapple. Festive music played while students "got it started" enjoying several hours of Braves fellowship.



Campus Programming Board (CPB) is a great way for students to make a direct impact on campus-wide programming. At the forefront of planning for student activities, CPB works with Student Life to provide activities such as weekly movies, trips to the beach and amusement parks, Homecoming, Spirit Week, and Spring Fling Week. From comedians and hypnotists to Casino Night and bonfires, CPB is definitely a hands-on organization!

Alpha Lambda Delta

Ten students accepted membership and were initiated into National Alpha Lambda Delta Honor Society for First Year Students on Sunday, March 7, 2005. Recognizing and encouraging academic excellence among first year students, membership in Alpha Lambda Delta is open to full-time freshmen that earn a scholastic average of 3.5 or better at a four-year college or university and are in the top 20% of their class.

Alpha Lambda Delta emphasizes that educated persons have a responsibility to "have tolerance in dealings with all persons, generosity in giving to those in need, and insight into the feelings of others." Members are challenged to make a "meaningful contribution to society" and, through their chapters, engage in community service projects as well as campus service activities.

The Beaver Dam fills with a "sweet, sweet spirit" as the CSU gospel choir performs each Thursday night. Each week the student led meetings invite all to attend. This year's guest speakers have included the "Strong Man," comedians, and Craig Janney, a former Chowan student and CSU leader. Overseen by Ken Cooke, campus minister and senior, the group often presents their Christian message in dramatic presentations.

History Club

The History Club is one of the most active clubs on campus. In fact the History Club won the coveted Mission and Vision Cup last year for its outstanding contributions to the campus. Harvestfest, Relay for Life, Rousen Memorial Lecture, Spirit Week, Spring Fling, and Night at the Oscars are only a few of the activities where you will find the History Club and its members. This year, the Club continued to sponsor "Historically Incorrect," which highlights "skewed" and hilarious versions of history

Leadership Scholars

The Leadership Scholars Program is one of the most prestigious programs on campus. As the name implies, these students are both campus leaders and scholars. These leaders are members of at least two organizations on campus, conduct leadership seminars, and complete community service projects to underscore and enhance the mission of Chowan College.

Phi Beta Lambda

Phi Beta Lambda is always looking for ways to give back. The club's advisor, Patsy Taylor, obviously believes that gifts are returned ten-fold. Phi Beta Lambda worked hard this year to support Relay for Life, sponsoring a dance to raise money. Phi Beta members are often found in the café, marketing their ideas.

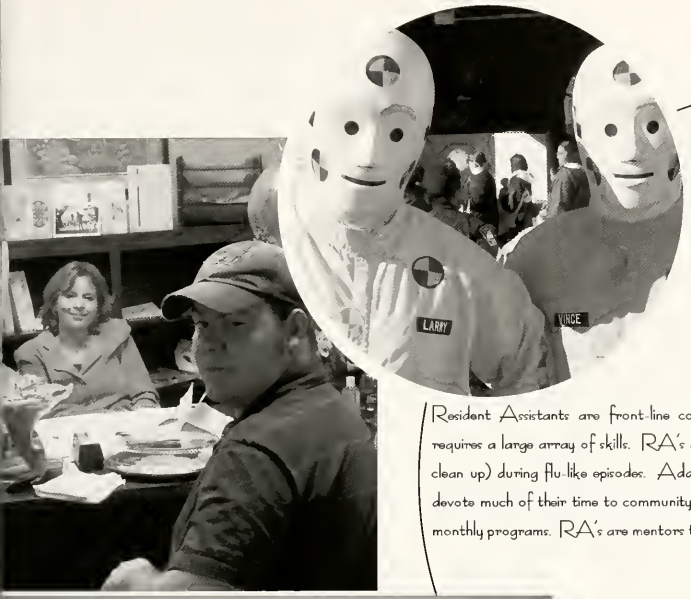
Residence Assistants



Resident Assistants are front-line combatants. Having this job requires a large array of skills. RA's are the first to show up (and clean up) during flu-like episodes. Additionally, these upperclassmen devote much of their time to community building in their halls, hosting monthly programs. RA's are mentors that become life-long friends.

The Science Club sponsors many events and programs such as Clean Sweep, the Campus Blood Drives, and the student garden just outside the Thomas Cafeteria. The purpose of this club is to promote science through an informal relationship with others with like interests. Even though the Club is serious about Science, members always find a way to have a good time.

Student Government Association

Student Government Association started the year with retuning president Rebecca Lapham and ended with the election of rising junior Jennyfer Fredette. The torch was passed from one to the next at the Awards Day Convocation.

SGA sponsored many very successful events throughout the year, starting with HarvestFest. Record numbers of children were on hand to play games and trick-or-treat. February brought the 10th Annual Snowball at the Sheraton in Norfolk and April saw Leadership Week with the "Do You Have What It Takes" theme.

Sigma Beta Delta

Sigma Beta Delta was established to honor students who have attained superior records in business programs in schools and colleges with regional accreditation. The concept behind Sigma Beta Delta is not new. Among the variety of ways available to faculty and institutions for recognizing and encouraging scholastic excellence, the most prominent and the one which is most appropriate for conveying lifelong and national recognition is the honor society, which has been a part of the American college scene for 200 years since the founding of Phi Beta Kappa in 1776. Membership in Sigma Beta Delta is by invitation. The Department of Business recognizes new members in a membership induction ceremony each spring semester.

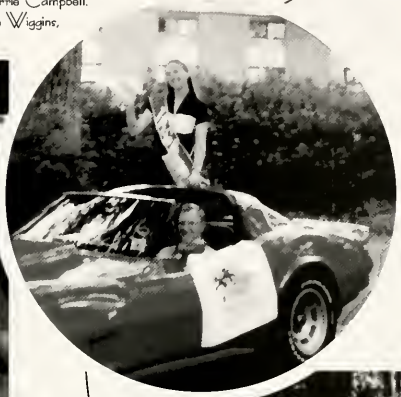
TAGA



The Technical Association for the Graphic Arts has participated in several campus activities. TAGA "gypsies" told fortunes to children at Harvestfest, a Student Government Association alternative to trick-or treat. Pictures were provided at the event as well. Taga has participated in numerous Homecoming activities including the traditional parade. First place in the float competition was awarded to TAGA this year. TAGA strived to educate the campus about the printing industry by observing International Print Week. Activities included bowling night, an interviewing seminar, graphics department awards banquet, and a cover letter and resume writing seminar. The week ended with a pride in print day where members sported cyan, magenta, yellow, and black in all apparel. All of this hard work earned the club the coveted Mission and Vision Cup!

Will Andrews, President of the College Democrats, declares, "if you've a voi use it!" He knows that voices have the ability to change the world. Althou the club participated in many campus events this year, the Colle Democrats sponsored two very cool opportunities for students t year: a debate between campus Democrats and campus Republica on November 3, and a mock-election on November 4. Tur out was great for both events. Topics covered for the deba were the war in Iraq, abortion, and prayer in schools while t winner of the mock election was (surprise!) George W. Bu Dr. Virgil Krapauskas serves as the faculty advisor.

Congratulations To Our Graduate

As your family we have always been proud of all that you accomplish. We have watched you grow from the boy with hopes and dreams into the man who has achieved so much. In this journey of life there is never one destination, today you will look back on all that you have accomplished at Chowan and feel a great sense of pride. Tomorrow will bring you new and exciting opportunities that you will embrace with the same desire and determination you have always shown. May you always have the perfect day to play on this field of dreams we call life. As your nickname fits you well, may you always smile with joy and excitement with all that you do in life.

Congratulations and best wishes from all your family!

Matt,
How quickly the time has passed. It seems like just yesterday we were dropping you off as a freshman and now you are in your final semester of your senior year. To say that you have made us proud would be an understatement. Truly God had a plan for you when He led you to attend Chowan as it has been so evident in your life. I know there are many uncertainties in front of you as to where God will lead you in your life after college, but remain true to yourself, seek God's guidance and know that your family will always be behind you supporting you in every way. All our love,
Mom, Dad, Megan & Morgan

Congratulations to the Class of 2005!

Autumn, You have achieved something that our three generations of family could not. We are very proud to be the parents who raised such a committed, focused daughter with such a drive to succeed. You are very creative and talented and we know whatever career choice you make, you will be successful. We thank you for giving us bragging rights! You were a good kid and you will be a great adult. Love from ever proud parents,
Mom & Dad
P.S. You also were a great role model for your brother!
